

# Home and Community-Based Service Waivers

## Familial Dysautonomia (FD) waiver

The FD waiver provides home and community-based services for people with Familial Dysautonomia living in their own homes or family homes. The FD waiver is designed to provide supports that minimize the effects of illness as well as delay or prevent hospitalization and/or institutionalization.

Read more about eligibility, covered services, and how to apply for the FD waiver at <https://bit.ly/3CBTLeL>.
